

Introducing A Filipino Spiritual Healing Weekend with Leony Apilo

Friday Begins at 7pm Hear more about Filipino Spiritual Healing and how the gift came to her as a young child. People will share their experiences from previous healings, you will meet the assistants for the weekend - which are powerful healers in their own right. Registration, payment and paperwork will be finalized.

Sat. 10am You will receive two healings a day. One in the morning and one after lunch. Saturday begins with a prayer circle and 1st healings. Feel free to bring your lunch and stay in quiet meditation for the afternoon healings at 2pm.

(Healings last about 5-10 min. and will be done in the same order throughout the weekend.)

Sunday 10am Begins with a prayer circle and follows the same format as Saturday.
Sunday Closing: A closing blessing and a Q and A will be held at the end of the second healings. Everyone who attended any part of the weekend are welcome!

**\$225 Filipino Spiritual Weekend Event
\$125 one day (includes Friday Night and Closing)
\$25 Friday Night Only**

Why are there no set appointment times?

We are honoring Leony's spiritual tradition. She stays in trance and flows from person to person. This builds the energy effectively. This style of Filipino Spiritual Healing allows us to rest in the healing energy, in community with others, until our turn arrives. We encourage you to remain in quiet meditation between healings and slow down our western busy schedule to facilitate deep transformation and let the magic within happen! However, if you need to leave and come back between healings we understand.

What do I bring?

Bring water for Leony to Bless, Pictures of Loved Ones for the Alter or place in an envelop with a cash donation for her to bring the Pyramids of Asia for Blessings.
Bring a lunch, robe, pillow, and blanket to rest with between healings. Because healings are done directly on the skin, the robe is necessary and it allows Leony to move efficiently from one person to the next. (Keep bra/underpants on.)

When do I pay in Cash ONLY?

Friday night. Please bring cash.
