

Send a Picture For You or a Loved One

Many of my brothers and sisters all over the world wish to see me, but are not able to do so. As much as I travel, anyone can agree that I can never physically attend to all the ailing people in search of God's gift of my healing powers. The only way to help those in need is through distant healing. Send your photo with your personal information and request for spiritual healing. Your kind generous donation goes toward my continued sharing of God's gift as well as my travel expenses.

If you send a picture to Leony she will facilitate deep long-distance healing. She also does long-distance healing without a picture. You arrange a time with her by calling her on the phone and she sends healing energy as you lay comfortably in your bed.
